

Influence of Typhoon No.19 attacked Japan

Regarding Typhoon No. 19, we would like to announce the influence on NDK group.

1.Safety of employees

There is no human damage to all our Group employees

2.Impact on production activities

We have 4 factories in Japan as follows.

- Sayama factory (in Saitama Prefecture)
- Furukawa factory (in Miyagi Prefecture)
- Hakodate factory (in Hokkaido)
- Niigata factory (in Niigata Prefecture)

There was no damage from Typhoon No.19 at above factories, so we are running the factory as usual.
